

Dr Alexandros Stampolidis

Personal Information

Name of Father : Dimosthenis
Birthdate : 16/3/1972
Birthplace : Kilkis, N.Greece
Citizenship : Greek
Marital Status : Married with 3 children
Work Address : Department of Geophysics, School of Geology
Aristotle University of Thessaloniki, PO Box 352-1,
54124 Thessaloniki
Home Address : Smyrnis 15, 55535 Pylaia, Thessaloniki
Telephone (mob.) : (+30)6972873665
E-mail : astamp@geo.auth.gr

Education

1997-2000 : **PhD in Exploration Geophysics**
Thesis title: **“The Geomagnetic Field in Macedonia and Thrace and its Relation to the Geophysical and Geological Structure of the Area”**

Department of Geophysics
School of Geology
Aristotle University of Thessaloniki

Supervisor: Prof. G.N. Tsokas
Grade: “Excellent”

1995-1997 : **MSc in Geophysics**
Thesis title: **“Geophysical Study of Thasos Island with the use of Potential Fields Methods”**
Department of Geophysics
School of Geology
Aristotle University of Thessaloniki

Supervisor: Prof. G.N. Tsokas
Grade: 8.87 (out of 10)

1989-1994 : **University Degree in Geology**
Dissertation title: **“Geophysical Exploration of the archaeological site of Derveni, Thessaloniki”**
School of Geology
Aristotle University of Thessaloniki
Greece

Grade 6.99 (out of 10)

Teaching - Administration

- 2003 - today** : **Tutorial Assistant - Aristotle University of Thessaloniki**
1. Delivered laboratory seminars to groups of 20-25 undergraduate Geology students, supervised their exams and graded them in the following courses:
 - “Geological Data Analysis”
 - “Electromagnetic Methods of Geophysical Prospecting”
 2. Group leader on compulsory single day field trips requiring leadership, geophysical methodology exhibition and good communication skills
- : **Co-Lecturer - Aristotle University of Thessaloniki**
Delivered to postgraduate Geophysics students the following course:
- “Potential Field methods in Exploration Geophysics”
- 2002 - 2003** : **Ass. Professor – Technological Institute of Crete, Chania, Department of Natural Resources and Environment**
- Full time teaching., delivered to undergraduate students the following courses:
- Geology
 - Geophysics (laboratory seminars)
 - Environmental Geotechnology
- 1995 - 2000** : **Tutorial Assistant - Aristotle University of Thessaloniki**
1. Delivered laboratory seminars to groups of 20-25 undergraduate Geology students, supervised their exams and graded them in the following courses:
 - “Geological Data Analysis”
 - “Physics of the Lithosphere”
 - “Gravity and Magnetic Methods of Geophysical Prospecting”
 - “Electromagnetic Methods of Geophysical Prospecting”
 2. Group leader on compulsory single day field trips requiring leadership, geophysical methodology exhibition and good communication skills

Professional Experience & Career Record

- 09/2003 - today** : **Department of Geophysics, School of Geology, Aristotle University of Thessaloniki, Greece - Permanent Staff**
- Participating in various geophysical projects ([available upon request](#))
 - Tutor for laboratory seminars
 - Seismogram analyst, calculating epicenters and local magnitudes, at the seismological station of Thessaloniki (15 days per year).
- 09/2002 – 09/2003** : **Ass. Professor – Technological Institute of Crete, Chania, Department of Natural Resources and Environment**
- Delivered lectures and laboratory seminars
- 03/2002 - 09/2002** : **Aristotle University of Thessaloniki, Greece - Permanent Staff**
- Tutor for laboratory seminars
 - Participating in various geophysical projects (available upon request)
- 06/2001 – 07/2001** : **IFP, Rueil-Malmaison, Paris, France**
- Visiting research scientist. Project title: SEIS-ALBANIA
 - Joint inversion of Gravity and Seismic data of Albania
- 1997 - 2002** : **Freelance Geologist, Geophysicist**
- Studies for underground water using geophysical methods such as VES and VLF.
 - Environmental Impact and Geological studies for roads
 - Environmental Impact and Geological studies for water drills and water springs
- 03/1995 – 06/1995** : **[GETECH](#), Leeds, UK**
- Visiting research scientist. Project title: Aeromagnetic data for N.Greece
 - Digitization of aeromagnetic data
- 1993-2000** : **Department of Geophysics, School of Geology, Aristotle University of Thessaloniki, Greece**
- Participating in various geophysical projects (available upon request).
 - Seismogram analyst, calculating epicenters and local magnitudes, at the seismological station of Thessaloniki (10 days per year).

Awards & Grants

09/1999	:	Travel and subsistence expenses grant from the European Commission, for taking part in "5th Workshop on Non Linear Dynamics and Earthquake Prediction", in Trieste, Italy
04/1996 – 12/1999	:	Full-time PhD Scholarship from the General Secretariat for Research and Technology (GSRT) and Institute of Geology & Mineral Exploration (IGME)
03/1994 – 06/1994	:	Travel and subsistence expenses grant from the EU within Erasmus Mundus Scholarships for visiting the Mineralogical-Petrographic Institute, University of Cologne, Cologne, Germany

Memberships

Since 1997	:	Hellenic Geophysical
Since 1997	:	Union Geotechnical Chamber of Greece
1995-1997	:	European Association of Geoscientists & Engineers (EAGE)
Since 1995	:	Hellenic Association of Geologists

Research

Research Statement

I am interested in the application of geophysical techniques and especially Potential Field methods to geophysical problems ranging from Archaeological Prospection to Global Geomagnetic Field studies. Since 1993 I have been working as a research assistant to numerous research projects of the Exploration Geophysics Lab. of Aristotle University of Thessaloniki. Through my research and professional activities I have gained experience in:

- Potential Field data Handling and Modeling
- Curie Point Depth Estimations
- Application of Geophysical Techniques to Archeological site Prospection
- Geophysical Data Acquisition and Interpretation (Electrical, Magnetic, GPR, VLF, Seismic)
- Application of Inversion Techniques to the Interpretation of Geophysical Data
- Environmental and Engineering Geophysics
